

Providing Capital & Operational Experience to Manufacturing, Industrial Technology, Industrial Services, and Consumer Product Businesses

CORE Industrial Partners is a private equity firm investing exclusively in lower middle market manufacturing, industrial technology, industrial services, and consumer product businesses. We believe we go beyond the traditional private equity approach and use our capital, insight, and differentiated operational experience to build great companies.

CORE has raised **more than \$1.58 billion of capital commitments** and has completed **over 50 transactions**. Learn more at coreipfund.com.
